

PaceSaver®
Set Your Own Pace!

Scout™ BOSS Midi-Drive™ Power Wheelchairs 6.75 & 6

Attractive BOSS power bases put you in control.

BOSS 6.75 & Boss 6 Excel with . . .

Style & choice - 3 rich "Mirror-Glaze™" Through & Through automotive colors, 4 different seat colors, including 2 luxurious soft fabrics.

Easy chair access - just step on the footrest.

All day comfort - Orthopedic contoured Com-For-Back™ seat and arms are width, depth, height & angle adjustable to fit your needs. 50° Recline Admiral Seat. SS is available in Com-For-Back™, Admiral & Rehab Cane Seat.

Better indoor maneuverability and stability - Patented 3/4 midi-drive short 27" turning radius is much easier to drive in your home than comparable rear wheel drive chairs. Boss' 3/4 design is more stable than center drive bariatric chairs that tip easily when reaching or stopping. 8° stability.

All day outdoor power & range - New York made, (1 3/4 HP Total) high torque motors drive maximum efficiency, inline (no maintenance) sealed gear drive. Advanced, easy to drive, (180/6.75 150/6) amp modular controller saves energy while delivering maximum power for range up to (18/6.75 - 20/6) miles. Boss 6.75/Boss 6 can climb tortuous, 140yd, 7-9° hills 20/24 times with a 675lb./600lb. rider.

Shock absorbing spring suspension for smoother ride while climbing 2 1/2" obstacles, rocks or gravel.

Boss 6.75's / 6's ultra low center of gravity is designed with 4 point seat mounts that ensure much lower seat heights, (16" for a short user - SS), for better control, drivability and easy battery access.

Fast charging anywhere. Small carry-along worldwide charger with new state-of-the-art battery saver technology for longer battery life.

Stability & traction - 3" seat to base balance adjustment optimizes drive for any size or shape.

Transportability, separates into 6 pieces for transport or use chair tie down system for in-vehicle transport.

Special Need Extra wide footplate standard. Swing-away, elevating legrests optional.

Made in America for custom seating & quick parts availability.

Shown with optional 50° Recline Admiral Seat and adjustable headrest extension

675lb. / 600lb. capacity
